GROUP RIDING TIPS

1. Arrive with a FULL TANK of gas
2. Members new to group riding should check with Road Captains for placement in the formation.
3. Maintain a constant speed, this helps prevent the rubber band effect.
4. Always ride in a tight but courteous staggered formation.
5. Your EYES should be watching four to five bikes in front of you, not fixed on the bike in front of you.
6. Maintain at least two seconds between you and the bike in front of you, and one second for the bike next to you.
7. PASS HAND SIGNALS BACK.
8. REMEMBER, YOU ARE RESPONSIBLE FOR YOUR OWN SAFTY.

HOG SQUEAL TIPS

1. Road Captains will be wearing a green safety vest.
2. Arrive early so you can have time to hear the route and safety briefing.
3. We do not run red lights, a Road Captain will pull up to re-group the pack as soon as it is safe to do so.
4. We do not block traffic.
5. Do not change lanes unless the Road Captain in front of you signals you to do so.
6. Make sure you have checked your bike prior to the ride.
7. If you have a mechanical breakdown, safely pull off on the right and a Road Captain will assist you.
8. Please ride courteously for your safety and the other riders around you. If you have a problem with another rider, please bring it to the attention of a Road Captain at the next stop.
